## Empowering Organizations, Transforming Lives

The Oregon Alliance of Children's Programs is a dedicated champion and established voice in advocating for the safety, health, and well-being of children, youth, families, and communities across Oregon. We are a diverse group of organizations serving Oregon's kids and their families at home, in school, in residential settings, and within the community. We join with dedicated community leaders, allied fields, partners in government, and those we serve to deliver effective policies, best practices, and resources.
